TIMECUTTER® ZERO TURN MOWERS / TITAN® HD MYRIDE® ZERO TURN MOWERS

### TIMECUTTER® SERIES WITH MYRIDE® SUSPENSION SYSTEM

**TORO**

## EXPERTS IN TURF CARE

*Join the ranks of satisfied customers around the globe – make Toro the preferred name at your home.*

On golf courses, parks, municipalities, sports fields and individual lawns around the world, our commitment to providing innovative, high quality products and systems to maintain turf has become legendary.

From cricket pitches in Australia's largest ovals to professional football stadiums around the world, to St. Andrews, Royal Randwick and Wimbledon, Toro mowers are used to maintain some of the most prestigious grassed areas in the world. This passion and experience also led us to develop high quality equipment for home use, with products that make tending your garden as simple and effortless as possible – so you can spend more of your time enjoying its beauty.

*The Old Course, St Andrews, Scotland*

**TRUSTED BY PROFESSIONALS AND  
HOMEOWNERS AROUND THE GLOBE**

### INNOVATION

With well over 1500 patents related to turf maintenance, innovation is at the heart of Toro's success. Continued investment in R&D and new technologies make Toro the preferred choice for all.

### CUSTOMER CARE

Our global network of dealers is here to provide the best support to keep your equipment in peak condition. Visit [toro.com.au](http://toro.com.au) to locate your nearest Toro dealer.

### LEGACY OF EXCELLENCE

Since 1919, The Toro Company has built, tested and led innovative solutions to care for your turf. Today, Toro continues to lead by focusing on creating high performance, environmentally friendly solutions to help our customers around the world preserve the beauty, productivity and sustainability of the land.

# BUILT FOR MAXIMUM PERFORMANCE

Both Toro's premium single cylinder and V-Twin engines are tuned specifically to the requirements of each machine they power, so they're ideal for the applications they're made for. Their intelligent design and tight tolerances help the governor respond faster with more power when you need it, so you're ready to handle your toughest outdoor tasks. With heavy-duty components and innovative features, it's the perfect match for the job you need to do. And like every product that carries the Toro name, they're built to last.

It's all part of a tradition of quality that began in 1914, when Toro started as an engine manufacturing company. After more than 100 years of turf care industry leadership, we're still making products you can count on.

### Self-Cleaning Air Filtration System

This patent-pending system features a self-cleaning air box with a dual-element air filter and a sloped floor that keeps debris out of the engine — maximising filter life and engine performance.  
*Available on V-Twin engines only.*

## KEY FEATURES

### Two-Barrel Carburetor

The two-barrel carburetor allows a stream of air and fuel mixture to be dedicated to each cylinder separately for maximum power and performance.  
*Available on V-Twin engines only.*

### Heavy-Duty Air Cleaner Hinge

Tough components are built to last for added longevity.  
*Available on V-Twin engines only.*

### Quick-Drain Oil Hose

Just pop the hose out of its holder to drain the oil and pop it back in its holder when finished, no tools required.  
*Available on V-Twin engines only.*

### Automotive-Style Piston Assembly

Triple ring design reduces engine oil consumption and blowby for maximum power.

### Vacuum Override Choke

Once the engine starts, the choke is overridden automatically — allowing for smoother starts.  
*Available on V-Twin engines only.*

### Cast-Iron Cylinder Liners

Durable construction delivers extended wear for longer engine life.

### 5-Bolt Heads

Provide tighter seal for added durability.  
*Available on V-Twin engines only.*

Scan to watch a video on TORO® ENGINES.

## TORO PREMIUM ENGINE BENEFITS:

### Single Cylinder

- Overhead valve (OHV) design
- Cast iron cylinder liner
- Triple piston rings
- Oversized crankshaft bearings
- Die cast connecting rod
- Hardened valve guides
- Automatic compression release
- Full pressure lubrication oil filter
- Large dual-stage air filter

### V-Twin

- Self-cleaning air filtration system
- Two-barrel carburetor
- Quick-drain oil hose
- Vacuum override choke
- 5-bolt heads
- Heavy-duty air cleaner hinge
- Cast-iron cylinder liners
- Automotive-style piston assembly

## BEYOND QUALITY ASSURANCE

### Tested, Proven Performance

All Toro® premium engines are tested with proprietary procedures and methods perfected over decades of manufacturing experience. Because of these tests, we're able to refine our engines for optimal performance every time the product is used.

We take quality control very seriously. Before each Toro premium engine leaves the assembly line, it is tested under load and checked for power levels and governor response to ensure consistent peak performance. Components are held to tight tolerances to ensure consistent production. And every batch of parts that enters the engine manufacturing facility is checked and certified before use in production.

**Bottom line:** You can recommend Toro premium engines with confidence.

### Warranty

All Toro premium OHV engines are fully covered by The Toro Company for 3 years.\*

\*For further details, please contact your Toro certified dealer or refer to the individual machine Operator's Manual.

# COMFORT OVER ROUGH TERRAIN

MyRIDE® for maximum comfort - The suspended operator platform allows for 3" of travel and reduces impacts, bumps and vibrations that reach the operator, resulting in a superior ride. Choose your ride setting - the operator can easily and quickly adjust rear shock ride settings to account for their personal ride preferences, without the use of tools!

**THREE COIL-OVER-SHOCK ABSORBER ASSEMBLIES** suspend the operator platform for cushioning you'll appreciate in your feet, knees and back — all without sacrificing quality of cut like other suspension systems.

**THE SUSPENSION SYSTEM** controls the motion of the operator platform, providing a smoother ride than a standard suspension seat.

**ADJUSTABLE REAR SHOCK ABSORBERS** let you quickly and easily choose your own personalised comfort setting from soft to firm.

**THE DELUXE, THICKLY PADDED SEAT** and rubber floor mat enhance ride comfort.

Not all features shown are available on all products. See specific product pages for more details.

Shown on the TimeCutter HD MyRIDE®

\*As compared to Toro TimeCutter® HD without MyRIDE® suspension. Based on testing per ISO 2631 on uneven, hard surfaces at typical mowing speeds. Results will vary based on terrain, speed, operator, and suspension settings.

# THE KING OF CUSTOM COMFORT

**CHOOSE YOUR RIDE SETTING**

Each person who uses the mower can quickly and easily adjust the ride settings to his or her personal preference, making the TimeCutter HD the king of custom comfort.

**MAXIMUM COMFORT**

Once you take hold of the controls, the rest of your body is isolated from the mower. The suspended operator platform allows you to float with 3" of travel — double that of a standard suspension seat in this class<sup>3</sup>.

**EXCELLENT HANDLING AND MANOEUVRABILITY**

Large 22" rear tyres ensure better handling and manoeuvrability, plus a smoother ride.

**MORE CUSHION MEANS MORE COMFORT**

With over 5" of secondary suspension between you and the ground, you'll mow in maximum comfort.

<sup>3</sup>Typical suspension seats in this class have 1.5" of travel.

# THE RECYCLER® ADVANTAGE

The Toro Recycler mulching system creates your own natural fertiliser. This patented system cuts grass clippings 6-8 times turning them into a fine nutrient-rich mulch to feed your lawn all season. The secret lies in the unique 'kickers' and baffles that direct clippings back into the blades to be re-cut before being released into your lawn.

*Toro Recycler kit is optional as an accessory. Please contact your local Toro dealer for more details.*

## TIME SAVING

Spend less time emptying grassbags.

## BENEFICIAL TO YOUR TURF

Nutrient-rich clippings are returned to the soil where they quickly feed the roots for a healthy, lush garden.

## ENVIRONMENTALLY FRIENDLY

No need for disposal, which eliminates transportation costs and landfill use.

Use **75%** less Fertiliser per year\*

Reduce Runoff by improving water infiltration by **12%**\*

Gardens are **15%** healthier\*

\* In studies comparing returning clippings to the ground vs. collection.

# SMART SPEED® CONTROL SYSTEM

Toro's exclusive Smart Speed® control system takes the time-saving speed and agility of a zero turn mower and adds greater control. These exclusive Toro innovations let you choose different ground speed ranges with the flip of a lever without changing the blade or engine speeds.

## THREE GROUND SPEED RANGES - TRIM, TOW, MOW

Toro's Smart Speed® control system lets you choose from three ground speed ranges for optimal performance. Use low **TRIM** range to trim closer for maximum time savings, choose medium **TOW** range for towing attachments, or select high **MOW** range to mow large open areas and finish quickly.

Scan to learn more about the TORO TIMECUTTER.

# INNOVATION AND DURABILITY YOU CAN COUNT ON

Toro's innovative features simplify operation and reduce trimming to help you save time so you can spend more time enjoying your lawn and less time mowing it. The Toro TimeCutter® cuts your mowing time almost in half†, which means less work for you and your mower. You'll not only have more time to enjoy, you'll extend the working life of your mower.

**Smart Features. Proven Dependability.**

## WORK SMARTER, NOT HARDER

The time saved with a Toro zero turn mower quickly adds up. Find your yard size on this graph and discover how much mowing time our customers have reported saving with their Toro zero turn mower.

Average Customer Reported Time Savings by Yard Size†

† Time savings by yard size are from 2007 to 2008 survey results for Toro residential zero turn mowers, as reported by owners.

## ZERO TURN TECHNOLOGY AND SAVE TIME

For more than 25 years, Toro has been manufacturing zero turn mowers that deliver an outstanding quality of cut along with the time savings of zero turn technology. Just as Toro is the choice of professional landscapers, Toro TimeCutter® mowers are the smart choice for you. You'll mow like a pro and you'll do it all in a lot less time.

### MOW AROUND OBSTACLES IN ONE EASY MOVEMENT

TRADITIONAL TRACTOR

ZERO TURN MOWER

## HOW TO DRIVE A ZERO TURN MOWER

Millions of homeowners have discovered the ease-of-use and time saving advantages of zero turn mowers. They are as easy and intuitive to drive as a shopping cart.

### Easy Operation

Lever steering is as intuitive as driving a shopping trolley. Push or pull as shown to steer where you want to go.

# DESIGNED FOR HOMEOWNERS

Toro has a wide portfolio of ride on mower options for any size garden, large or small. The Toro range has many patented technologies and features, designed to make our mowers noticeably more comfortable and easy to use, whilst delivering the excellent standards of finish you expect from a quality mower.

Toro ride on mowers are engineered to efficiently handle extreme conditions and challenging terrain, without sacrificing cut quality or your comfort. Their unmatched manoeuvrability for cutting around trees and landscaping, power and durability, all contribute to produce long-lasting performance.

## WHICH ONE IS RIGHT FOR YOU?

Whether it's for dependable performance, manoeuvrability or heavy-duty applications, Toro has a mower that's right for you.

### TimeCutter® SS Series ▲

**BEST FOR:**  
Manoeuvrability and time saving.

### TimeCutter® MX Series ▲

**BEST FOR:**  
Durable and dependable performance and manoeuvrability.

### TimeCutter® HD Series ▲

**BEST FOR:**  
Rough terrain and maximum comfort.

### Titan® HD 2000 Series MyRIDE® ▲

**BEST FOR:**  
Heavy-duty applications where terrain is more rugged.

# MAKE THE SMART CHOICE

Save your mowing time with the zero turn mower compared to a standard lawn tractor.

It's as rugged and tough as it is agile and smooth. The TimeCutter® SS offers 25 years of expert zero turn mower design and development, placing the professional brand in your capable hands - allowing you to groom your lawn like the pros.

## SPECIFICATIONS

	SS 3225 (74710)	SS 4225 (74726)

UP TO 7,000m<sup>2</sup>

## KEY FEATURES

### Automatic Parking Brake

Automatically engages when the control arms are moved outward. Eliminates the need for a separate parking brake, making operation easy.

### Deep 10.2 cm Steel Deck

Provides superior cutting performance in all conditions.

### Powerful Toro® Premium OHV Engine

Powerful Toro® single and V-Twin cylinder engines provide smooth, quiet and optimal power.

### Smart Speed® Control System – Three Speed Range - Trim, Tow, Mow

Use low TRIM range to trim closer for maximum time savings, choose medium TOW range for towing attachments, or select high MOW range to mow large open areas and finish quickly.

### Comfortable Seats

18" (45.7 cm) extra tall seats provide ample back support for a smooth, comfortable ride.

### Dual Hydrostatic Drive System

Provides independent power to each wheel for maximum traction and manoeuvrability.

### Heavy-duty 10 Gauge Frame

Provides increased strength, durability and reliability.

# THE ADDED TOUGHNESS OF A FABRICATED DECK

Model year 2015 shown

TimeCutter® MX zero turn mowers offer the same time-saving speed and agility of a TimeCutter® SS with the added strength and durability of a fabricated deck and heavy-duty transmissions. With great features like our exclusive Smart Speed® control system, you can choose from 3 speeds giving you greater control when trimming, towing attachments and mowing.

## KEY FEATURES

### Powerful Toro® Premium OHV V-Twin Engine

Powerful Toro® V-Twin cylinder engine provides smooth, quiet and optimal power.

### Fabricated Deck

Fully-welded 10-gauge steel, this deck can handle tough conditions. The lower the gauge number the thicker the steel.

### Height-of-Cut Assist Pedal

Foot-assist height of cut makes it easier for you to raise and lower the fabricated deck (on models 74760 and 74774).

### Dual Hydrostatic Drive System

Provides independent power to each wheel for maximum traction and manoeuvrability.

### Smart Speed® Control System – Three Speed Range - Trim, Tow, Mow

Use low **TRIM** range to trim closer for maximum time savings, choose medium **TOW** range for towing attachments, or select high **MOW** range to mow large open areas and finish quickly.

### Automatic Parking Brake

Automatically engages when the control arms are moved outward. Eliminates the need for a separate parking brake, making operation easy.

### Heavy-duty 10 Gauge Frame

Provides increased strength, durability and reliability.

### MyRIDE® Suspension System

The TimeCutter® MX5075 zero turn lawn mower features the smooth MyRIDE® suspension system with a suspended operator platform that cushions you from bumps and vibrations on rough terrain.

# FAST. COMFORTABLE. HEAVY-DUTY.

The TimeCutter® HD zero turn mower does more than cut grass to perfection. It can also cut your mowing time almost in half<sup>1</sup>. But when you're bouncing around on rough terrain, speed won't do you any good without superior comfort to match. The smooth MyRIDE® Suspension System (available on model 75212) features a suspended operator platform that cushions you from bumps and vibrations, so you can be more productive and stay comfortable. And the heavy-duty GRADE 50 high-strength steel deck is nearly 50% stronger than other decks<sup>2</sup>, so you can power through tough grass. You'll not only enjoy mowing — you'll enjoy more free time.

## SPECIFICATIONS

	ZX 4800 (75201)	MR 5400 with MyRIDE® (75212)
Engine	22.5 hp (16.8 kW) Toro® V-Twin 708 cc	24.5 hp (18.3 kW) Toro® V-Twin 708 cc
Cutting Width	48 inch (121.9 cm)	54 inch (137.2 cm)
Ground Speed	Smart Speed® Control System – 3 speed range 0 – 13.7 km/h	Smart Speed® Control System – 3 speed range 0 – 13.7 km/h

<sup>1</sup> Time savings are from 2008-2012 survey results for Toro residential zero turn mowers, as reported by owners.  
<sup>2</sup> Compared to regular 11-gauge steel decks. Deck shell and leading edge are made of high-strength 10-gauge steel.

## FLOAT COMFORTABLY OVER ROUGH TERRAIN WITH THE MyRIDE® SUSPENSION SYSTEM

**Three Coil-Over-Shock Absorber Assemblies** suspend the operator platform for cushioning you'll appreciate in your feet, knees and back — all without sacrificing quality of cut like other suspension systems.

**The Suspension System** controls the motion of the operator platform, providing a smoother ride than a standard suspension seat.

**Adjustable Rear Shock Absorbers** let you quickly and easily choose your own personalised comfort setting from soft to firm.

**A Step Guide** on the deck gives you secure footing.

**The Deluxe, Thickly Padded Seat** and rubber floor mat enhance ride comfort.

*\*As compared to Toro TimeCutter HD without MyRIDE suspension. Based on testing per ISO 2631 on uneven, hard surfaces at typical mowing speeds. Results will vary based on terrain, speed, operator, and suspension settings.*

## KEY FEATURES

### Maximum Comfort

Once you take hold of the controls, the rest of your body is isolated from the mower. The suspended operator platform allows you to float with 3" of travel — double that of a standard suspension seat in this class<sup>3</sup>.

### Choose Your Ride Setting

Each person who uses the mower can quickly and easily adjust the ride settings to his or her personal preference, making the TimeCutter HD the king of custom comfort.

### Excellent Handling and Manoeuvrability

Large 22" rear tyres ensure better handling and manoeuvrability, plus a smoother ride.

### More Cushion Means More Comfort

With over 5" of secondary suspension between you and the ground, you'll mow in maximum comfort.

<sup>3</sup> Typical suspension seats in this class have 1.5" of travel.

# ADDED FUNCTIONALITY

## MAINTAIN MORE THAN JUST YOUR GRASS

Caring for your property doesn't stop with mowing. That's why TimeCutter® HD mowers give you added features to handle more tasks. From towing attachments to carrying a bucket for mulch or debris, you get added functionality that will save you time on countless jobs around your property.

### Smart Speed® with Tow Mode

Choose from three ground speed ranges for optimal performance. Use low **Trim** range for closer trimming, medium **Tow** range for towing attachments, or high **Mow** range to mow large open areas.

### Standard Tow Hitch

With the Smart Speed® control system and the standard hitch, you can tow attachments with precision speed and control.

### Attach Buckets

Take a utility bucket with you to carry tools, debris or other supplies. Simply rest your bucket on the lip built into the rear engine guard, and secure it with a strap to hold it in place.\*

\*Bucket and strap not included. Refer to owner's manual for weight and use restrictions.

### 12V Accessory Port

Need portable power to charge your MP3 player or personal fan? Just plug it into the 12V accessory port.

# DURABILITY IS IN THE DETAILS

## PROFESSIONAL-GRADE PERFORMANCE

TimeCutter® HD mowing decks are made of fully-welded GRADE 50 high-strength steel to stand up to your toughest mowing challenges. In fact, our high-strength 10-gauge steel deck is nearly 50% stronger than regular 11-gauge steel decks, giving you the durability acreages demand. From top to bottom, every detail delivers the heavy-duty performance of a commercial mower, down to the quality of cut. It's not only built to last; it's built to give you a property that makes you proud.

### Heavy-Duty Construction

This unbeatable combination of features is designed for durability in the toughest conditions. It all adds up to a mower that's built to last.

- 2.5" x 2.5" fully tubular front axle
- Heavy-duty caster forks
- 10-gauge steel frame
- Dual hydrostatic commercial transmissions
- 1" spindle shafts with oversized spindle housings
- Heavy-duty full engine guard

**2.5" x 2.5" Fully Tubular Front Axle**

**Heavy-Duty Caster Forks**

**10-Gauge Steel Frame**

### Superior Cutting Performance

The front tunnel design and high blade tip speed create a vacuum that lifts grass straight up for a crisp, clean cut and a healthier lawn. The deep deck design clears clippings fast while maximising power.

\*Compared to regular 11-gauge steel decks. Deck shell and leading edge are made of high-strength 10-gauge steel.

# TACKLE YOUR TOUGHEST JOBS

NEW!

The TITAN® HD MyRIDE® Series mowers deliver durability, professional results and performance at an outstanding value. Tackle your toughest jobs, on or off the mower, with the tool-mounting capability, bringing unmatched utility and productivity right to your fingertips.

## INNOVATIVE TOOL CARRYING

TITAN HD provides you the exclusive ability to easily attach your tools and accessories directly to the mower with the innovative tool-mounting brackets, saving you time and improving your efficiency.

\*Tool-mounting kits are optional attachments.

## SPECIFICATIONS

Deck Material	TURBO FORCE® 7/10-gauge high-strength steel with bull-nose bumper		
Ground Speed	14.5 km/h	14.5 km/h	14.5 km/h

## KEY FEATURES

### MyRIDE® Suspension System

The MyRIDE® suspended operator platform allows for 3.0" of travel, isolating bumps and vibrations from the operator. Rear shock ride settings are easily and quickly adjusted to account for personal ride preference, without the use of tools.

### TURBO FORCE® Cutting Decks

TITAN® HD MyRIDE® features side discharge cutting decks. Toro's patented TURBO FORCE® decks are constructed to handle rugged terrain delivering the ultimate in cutting performance and durability. Nothing cuts as well as TURBO FORCE®.

### Commercial-Grade Engine

Powered by commercial-grade engine from Toro®, Provides optimal performance and reliability. Heavy-duty canister style air filtration system protects the engine from contaminants and prolongs product life.

### Commercial-Grade Durability

From the durable 7/10-gauge high-strength steel TURBO FORCE® cutting deck, to the rugged 2" x 3" tubular frame and commercial-grade hydraulics, the TITAN HD MyRIDE® zero turn mowers are built to last.

### Commercial-Grade Hydraulics

The integrated pump and wheel motor uses proven commercial hydraulic components while eliminating hoses and other potential leak points. You'll get a smoother, faster response while enjoying an even more reliable machine.

### Height of Cut Adjustment

Change the deck height quickly and easily with this intuitively designed panel.

**ATTACHMENTS AND ACCESSORIES FOR TIMECUTTER® SS, MX AND HD**

**Recycler® Mulch Kit**

The Toro Recycler mulching system creates your own natural fertiliser. This patented system cuts grass clippings 6-8 times turning them into a fine nutrient-rich mulch to feed your lawn all season. The secret lies in the unique 'kickers' and baffles that direct clippings back into the blades to be re-cut before being released into your lawn.

**Light Kit**

Gives you the option to mow your grass in low light conditions.

**Twin Bagger**

Attaches easily and is great for cleaning up grass clippings and leaves. *(Includes Mounting Kit and Weight Kit.)*

**Deck Maintenance Jack & Jack Mounting Kit**

Helps lift up the mower deck for easy maintenance.

**Tow-Behind Dump Cart**

Transporting material is easy with this heavy-duty poly bed large dump cart.

**Toro Engine Maintenance Kit**

Keep your Toro mower running smoothly, season after season. Kit includes: engine oil, spark plug, fuel filter, oil filter, air filter and fuel treatment.

**Bagger Enhancement Kit**

Prevents the grass clippings to go out through the front of the deck. It enhances bagging performance in extreme conditions.

**Deluxe Seat Kit**

When you're mowing for an extended period, there's no substitute for a good seat. The deluxe seat offers premium support during longer mowing sessions.

**Cargo Carrier**

Perfect for light duty hauling capabilities for mulch, soil, garden tools and other items for working in the yard. No "jack knifing" and it's easy to store.

*(Requires weight kit and mounting kit if bagger not installed. Fits TimeCutter model years 2011 & newer)*

**Sunshade**

Keep cool and dry while you mow. The Toro sunshade increases operator comfort by shielding you from the elements.

*(Fits most TimeCutter mowers)*

**Armrest Kit**

Adjustable armrests improve operator productivity by reducing fatigue.

**Assist Bar & Step Kit**

Help the operator to get on and off the mower more steadily.

*(For TimeCutter SS and MX models only)*

**Foot Assist Height of Cut System**

Allows you to quickly and easily raise the mowing deck while mowing to avoid scalping and can also be used to lift the mowing deck while changing height of cut positions.

**Hour Meter Kit**

Keep your mower in peak condition by adding an hour meter for determining service maintenance.

**Seat & Product Covers**

Provides protection to the seats and machine from weathering and damage. The seat cover is held firmly in place with an elastic cord and made with polyester, water-resistant fabric.

**Anti-Vibration Floor Mat**

This rubber floor mat is a great addition to your TimeCutter® mower. Reduce vibration and dampens deck noise during mowing.

**FINANCE**

Purchasing Toro products is easy and affordable with special Toro sponsored finance promotions available through your participating certified Toro independent dealer.

**WARRANTY**

Building the best machines in the industry allows us to back them with the best warranty in the industry. Ask your dealer to learn about our warranty coverage.

Your local certified Toro dealer:

*Products depicted in this literature are for demonstration purposes only. Actual products offered for sale may vary in use, design, required attachments and safety features. We reserve the right to improve our products and make changes in specifications, designs, and standard equipment without notice and without incurring obligation. The gross horsepower of the engines have been laboratory rated by the various engine manufacturers. As configured to meet safety, emission and operating requirements, the actual engine horsepower on this class may be significantly lower.*

*Many of the products you will find in certified Toro dealers' stores come with a warranty or guarantee from The Toro Company. In addition, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Full details of your consumer rights may be found at [www.consumerlaw.gov.au](http://www.consumerlaw.gov.au)*

*\*See your certified Toro dealers for details on all of our warranties.*
